

Syrah 2010

Variety: 100% Syrah.

Origin: Rapel Valley.

Soil: Bench land and river bench associated soils, with good drainage that maximizes potential for controlling plant growth.

Climate: Medium warm with Andes Mountain influence.

Aging: In American oak barrels for 8 months.

Alcohol: 13,9%

PH: 3,47

Winemaker's Notes:

An enticing Syrah densely packed with black cherries, currant and cedar flavors. Round mouth filling with ample soft and sweet tannins, finishing with lively acidity to balance the intense range of aromas.
